

SUPER SENIORS' GOLF - 2025 PRE-SEASON GET-TOGETHER

For the: KEITH GARDNER TROPHY
Stand Golf Club; Thursday 17th April 2025

Report:

Once again the traditional Super Seniors Pre-season opener was blessed with a sunny and warm Stand Golf Club starting to look at its best. Fond memories of our departed LSS fellow golfer and team Captain Keith Gardner were exchanged and the impressive event trophy engraved for last year's winners (Simon Naylor & Steve Owen) on display (Inset on First Tee). As usual on these occasions, sporting friendships renewed,

conversations over Rory's Masters recent and impressive victory at Augusta National and the continuing impact of the World Handicap system at club level were digested over the usual rolls, tea and coffee. A convivial atmosphere ensued as further golf stories were exchanged, and the scene set for friendly competitive golf.

The course, as usual, proved a good test. The winners, John Howard and Ian Clarke (Inset) took the honours and the Trophy with a very creditable 45 pts. John thanked the LSS members, complimented the quality of the course, service and catering.

At the presentation our newly elected Captain Allan Harrison mirrored John comments and updated members of the work of the Working Party to date including our exchanges of correspondence with Lancashire Golf Ltd and the implications of the Super Senior as an organisation going forward. Allan thanked last year's Captain Clive Appleby for all his work and tireless efforts over the years on our behalf. He congratulated the winners and thanked Stand GC for the fixture. Presenting the normal LSS donation to the club he praised green's staff on the course and greens presentation. LSS very much look forward to continuing the annual event once again next year.

Keith Gardner Trophy2025 - RESULTS
