

NORTH WEST MANCHESTER MATCH – JUNE 6TH

The match was held at Rochdale GC and after a wet start to the day the match started on time. This was thanks to the green staff who had worked tirelessly to remove all the surface water from the greens.

The hospitality was excellent, we started with the traditional bacon rolls and finished with lamb shanks for our evening meal.

The match was played off handicap and the winners on the day by just 1 point was NWMGA – 3.5 to 2.5. Many thanks to all the Super Senior's Team, who travelled to Rochdale GC

Dave Shepherd – Match Captain
